National Security Begins With Your Help

Sign up today and start receiving threat information that could affect your agency.

What is ICEFISHX?
Intelligence Communications Enterprise For Information Sharing and Exchange (ICEFISHX) is an internet-based intelligence sharing initiative and alert network, operated by the Minnesota Fusion Center, designed to collect and disseminate information relating to terrorist operations and other criminal activities to law enforcement, government agencies and the private sector. The Minnesota Fusion Center produces and disseminates intelligence products, conducts training and establishes and maintains liaison with local, state, tribal, and federal law enforcement officers in Minnesota and through the national network of state and local fusion centers.

For more information on on the Minnesota Fusion Center and or ICEFISHX click [HERE](#).

To report suspicious activity involving suspected acts of terrorism, contact your local law enforcement agency or dial 911.

Authorized ICEFISHX members can report directly to the MNJAC by clicking **HERE**

if you **SEE** something **SAY** something
Report suspicious activity call 911

Did you **SEE** something you thought was suspicious?
Then **SAY** something to local authorities.
